## About WDF

November 17, 2018.

Dear Dr, Yehia, the Egyptian Darts Federation and to whom it may concern

The World Darts Federation (WDF) was founded in 1976. The WDF is a non-political, non-racial and non-profit making organization dedicated toward achieving and maintaining the highest possible standard of presentation and organization around the world. As a world-wide federation of darts bodies, the WDF encourages the promotion of the Sport of Darts among and between those bodies, to gain international recognition for Darts as a major Sport. WDF is moving forward to obtain IOC recognition in the next few years. The WDF is compliant with the Olympic movement and attends annual meetings of Sport Accord around the world.

WDF is a member of The International Federations Union, Global Association of International Sport Federations – GAISF and The Alliance of Independent recognized Members of Sport – AIMS. The WDF has signed the World Anti-Doping Code and developed a clean sport culture with WADA. The WDF is also a full member of AIMS (Alliance of Independent recognised Members of Sport) and attended the signing of a MoU with the IOC.

The WDF organizes the following international 'Cup' events:  
World Cup (odd # years – open to all WDF nations)  
Americas Cup (even # years – open to WDF nations in the Americas)  
Asia-Pacific Cup (even # years – open to WDF nations in Asia & the South Pacific)  
Europe Cup (even # years – open to WDF nations in Europe).

The WDF endorses the offer from the Egyptian Darts Federation to actively promote and build darts in their region.

We support and granted permission that the EDF form the African Darts Council, with intent of introducing the sport of darts to dart bodies in their region that will hopefully create new bodies to join the WDF in the future.

We would also like to thank the EDF for taking this initiative and wish them success in their endeavour.
